

## UCI Selected as First External Location to Host DMV NOW Services

**Irvine, Calif., April 17, 2017** – UCI is now offering California Department of Motor Vehicles (DMV) automated services, becoming the first university and first independent location in California. UCI faculty, staff, students and visitors may now process vehicle registrations or file for Planned Non-Operational status through an automated DMV NOW Self-Service Terminal. Conveniently located in the main UCI Transportation office at 200 Public Services Building, DMV NOW services will be available Monday through Friday, 7:30am - 4:00pm and no appointments are necessary. Patrons bringing their registration renewal notice or past registration card for processing may immediately receive their new registration card and license plate tag. The touch screen machine offers instructions in English and Spanish and accepts credit cards and checks.

This UCI and DMV partnership will be celebrated with a ribbon cutting ceremony at 10 am on Tuesday, May 9, 2017 at the UCI Transportation main office. For more information or media coordination, please contact Strategic Communications Manager Julianna Bayley at [jbayley@uci.edu](mailto:jbayley@uci.edu).

**About the California Department of Motor Vehicles:** The California Department of Motor Vehicles registers motor vehicles and boats and issues driver's licenses in the state of California. Over 24 million driver's licenses, and 32 million vehicles are maintained by this state agency. As a member of the California State Transportation Agency, the DMV also regulates new car dealers, commercial cargo carriers, private driving schools, and private traffic schools. For more information, visit [www.dmv.ca.gov](http://www.dmv.ca.gov)

**About UCI Transportation and Distribution Services:** UCI Transportation and Distribution Services oversees all transportation planning, parking, and mail services at the University of California, Irvine. UCI Transportation has an environmental commitment to reduce greenhouse gas emissions from all vehicles traveling on and around the UCI campus. This commitment to reduce costs and emissions is at the heart of every program and service offered to the UCI campus community. For more information, visit [www.parking.uci.edu](http://www.parking.uci.edu).

**About the University of California, Irvine:** Founded in 1965, UCI is the youngest member of the prestigious Association of American Universities. The campus has produced three Nobel laureates and is known for its academic achievement, premier research, innovation and anteater mascot. Led by Chancellor Howard Gillman, UCI has more than 30,000 students and offers 192 degree programs. It's located in one of the world's safest and most economically vibrant communities and is Orange County's second-largest employer, contributing \$5 billion annually to the local economy.
