## LOS TRANCOS & EAST PELTASON TRAFFIC SIGNAL

### ABOUT LOS TRANCOS & EAST PELTASON TRAFFIC SIGNAL

The new traffic signal at the intersection of Los Trancos and East Peltason Drive will improve traffic flow and provide safer crossings for pedestrians and cyclists in the area. Additionally, a gate arm will be installed at the entrance to the Los Trancos Service Road providing necessary emergency vehicle access to the Engineering and Physical Sciences locations.

**COMPLETED  
SUMMER 2018**

- Improved traffic flow
- Safer crossings for pedestrians
- Emergency vehicle access
